The industrial visit to **Sangharsh Lifecare Pvt. Ltd.** was organized on 10th September 2025 for Semester V students. The journey began at 5:00 a.m. from the college campus, where **Dr. A. D. Patel (Principal)** and **Mr. M. J. Patel** gave their best wishes and sent off the group. A refreshment halt was arranged at Giyod, Dhanap Ambaji Temple.

On arrival, the group was warmly welcomed by **Mr. Kanani (Plant Head)** and other staff members. Students were divided into three groups and taken through various sections of the **EU and WHO GMP certified plant**, including **Warehousing, Storage, Dispensing, Quality Control (QC), In-process QC, Formulation & Development (F&D), Microbiology Lab, and Production**. They also gained practical exposure to advanced equipment like **HPLC, UV, FTIR, Tablet Coating Machine, Capsule Filling Machine, and Packaging Units**.

In addition to manufacturing processes, students also acquired valuable knowledge about **plant designing, fire safety measures, HVAC system operations, and large-scale water deionizing systems**, which are essential for maintaining pharmaceutical quality and regulatory standards.
